MIAMI'S FAVORITE POEMS PROJECT

OFF THE SHELF STAGE
SATURDAY, NOVEMBER 19 FROM 3:30–4:30 P.M.

Selected by President Barack Obama in 2013 as only the fifth presidential inaugural poet in United States history, **RICHARD BLANCO** was the first Latinx, immigrant, and LGBTQ+ individual to serve in the role. And he made history again in 2022, when he was appointed **MIAMI-DADE COUNTY'S FIRST-EVER POET LAUREATE** by **MAYOR DANIELLA LEVINE CAVA**. In this new role and led by his passion to connect community through poetry, Blanco has created the Miami's Favorite Poems Project, through which people from all walks of life are invited to share a favorite poem that has had some meaningful impact on their life and thinking. Hosted by Blanco and **NICOLE TALLMAN**, poetry ambassador for Miami-Dade County, the Miami's Favorite Poems Project is launching at Miami Book Fair 2022 with special guest readers **LEVINE CAVA**, MDC President **MADELINE PUMARIEGA** and former U.S. Poet Laureate **ROBERT PINSKY**, among others, including poet and novelist **SANDRA CISNEROS** and poet **MARCI CALABRETTA CANCIO-BELLO**. All will read their favorite poems.

Join us for this special event, and to learn how you can participate in future poetry community events to be held at various locations throughout the county in the coming months.

VISUAL ARTS: *ESTUARY*, AN INSTALLATION

M . O . A . D . . .
Miami Dade College

Estuary [Pavilion for MOAD], a work by Cuban American artist **RAFAEL DOMENECH** — who received a BFA from the New World School of the Arts at Miami Dade College in 2015 — functions on multiple levels. It is a public sculpture, a reflection on the written word, a platform for live performances and public gatherings, and a meditative environment. Commissioned by the Museum of Art and Design at Miami Dade College, *Estuary* will be inaugurated at this year's Fair. Made from everyday construction materials, the work can mutate into a variety of distinct spatial configurations. Large panels or "pages" of construction mesh feature laser-cut texts that will change throughout the duration of the project, which will be installed at Kyriakides Plaza and remain on view until January 2023 before traveling to other MDC campuses. MOAD will create programming for *Estuary* at each site of its installation. The project is curated by **ISABELA VILLANUEVA**.

Things change! Find current schedule info — and info about the authors and their books — at **MiamiBookFair.com**.

JESSY NITE is a contemporary artist based in Miami, best known for her large-scale, outdoor text installations that interact with their environment. Her signature use of color and custom-made typography cross a variety of disciplines, carrying a playful but deeply rooted narrative.

Nite's public works and installations have been commissioned by multiple cities in the United States and abroad — including Miami; Coral Gables, Hollywood, and Homestead, Florida; Jersey City, New Jersey; and Vienna — as well as by brands like Nike, Facebook, Instagram, and Red Bull. She has exhibited across the U.S. and internationally, most notably in Bangkok, Dallas, London, Los Angeles, Miami, New York, Vienna, and Zurich.

CHILDREN'S ALLEY
AT MIAMI BOOK FAIR 2022
FRIDAY TO SUNDAY, NOVEMBER 18–20

Discover fantastical new wonders at Children's Alley — your buzzing hub for family-friendly activities and entertainment at Miami Book Fair!

Set adrift in his magical pink blimp, **Professor Wembly Wordsmith** explores the hidden horizons and vanishing vistas of our great, big world, and brings all the treasures he discovers back home to you! Artists, musicians, scientists, and more — Wembly's sharing all of their exciting crafts, performances, and innovative experiments.

Traveling at his side is **Rita Readsmuch**, Wembly's book-loving cousin, and her **curious monkey pal, Stanza**! During their expeditions, Rita sets her sights on children's libraries across the globe to collect tales for all ages, from sea to sea and from shore to shore.

Wembly and Rita drop anchor in Miami just once a year to share the wonders they've encountered on their never-ending journey, and lucky for us, they are docking during Miami Book Fair week! So be sure to stop by and discover what Wembly, Rita, and Stanza have in store as you **Learn!**, **Create!**, and **Participate!** your way through Children's Alley.

MORE TO EXPLORE!

Featured Artist: Natasha Tomchin

Artist, designer, coder — Natasha Tomchin, whose work is inspired by the clouds and lush flora found in Miami — is all three! Don't forget to look up and around to see her signature iridescent palm and monstera leaves as you walk through Children's Alley, and be sure to join her workshop in the Create! tent to make a leaf-based print on your very own tote bag. It's the perfect souvenir to carry all your new books!

The Children's Trust

A haven for little ones and their families, The Children's Trust Book Club tent is a space for toddlers and babies to build, play, and let their imaginations come alive through storytelling. Short, captivating workshops will also offer parents ideas on engaging their little ones around literacy.

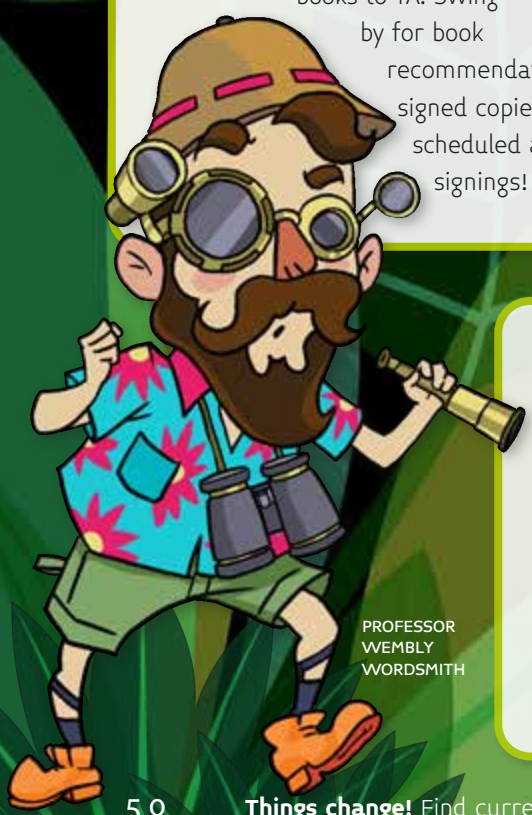

PROGRAMMED AND PRESENTED BY THE CHILDREN'S TRUST

UHealth Jackson Children's Care

Stop by for health and mindfulness tips from experts in the field with UHealth Jackson Children's Care! Join us each morning for a wellness information session followed by a guided meditation with Kula for Karma instructor Heidi Ronquillo, who will use mantras, breathwork, mindfulness, and movement to bring balance to our youngest yogis.

Books & Books Supply Post

Rita has a lot of hobbies, but reading is her favorite! No wonder she spends so much time wandering the stacks of our favorite independent bookstore, Books & Books, when she's home in Miami. So she's super happy that our friendly neighborhood booksellers are back at the Fair again with all the latest and greatest — from board books to YA. Swing by for book recommendations, signed copies, and scheduled author signings!

PROFESSOR WEMBLY WORDSMITH

Lizard Lounge

The Lizard Lounge is the place for all things chill! Join in morning yoga sessions and afternoon story times with picture book authors. It's an open-air lounge space where you can pull up a bean bag and start on a book you just picked up, rest in between author events and activities, and gather the family to watch pop-up performances.

Early Learning Coalition of Miami-Dade/Monroe

Kids Robot Academy

Have you ever had a conversation with a robot, or seen one that can create art? Now you can! Explore the wonders of robotics and their endless capabilities with not-to-believed daily demos.

Inside Out Kids

Join us in the Inside Out Kids camping tent every hour for story time, where we will read a tale that inspires nature-based sensory activities.

PROGRAMMED PRESENTED BY

Art & Roving Performances

Wembly and Rita run into some amazing performers in their travels, and they've brought some of their favorites to the Fair. Be on the lookout for giant puppets, balloon twisters, stilt-walkers, and animal-human hybrids. Don't forget to grab a hula hoop and join in some swirly-whirly exercises throughout the day!

Things change! Find current schedule info — and info about the authors and their books — at **MiamiBookFair.com.**

Info Booth

Need a ticket to a workshop? Directions to a specific tent? A Wordsmith Passport to complete your **Children's Alley** adventure? Just look for the Info Booth — X marks the spot!

Create!

Trek over to our Create! stations and get your hands dirty with a variety of artistic activities for all ages — let your creativity soar! Visit our **Make-and-Take Crafts** area where you can drop in and color, craft a sculpture, create a decorative poem, and more. For a more in-depth work of art, visit the **Create Canopy** to join featured workshops presented by local artists. Space is limited, so be sure to pick up your free ticket at the info booth!

Participate!

Sometimes you just need to commune with other adventurers to get the party started — so stroll on over to the Participate! stage to clap your hands and stomp your feet. Grab a seat under our iridescent canopy for **musical folktales, theatrical storytelling, mesmerizing magic**, and so much more!

Learn!

Wembly and Rita have picked up some interesting artifacts and learned plenty of fascinating new skills on their travels that they can't wait to share. Master aerodynamics with a **paper airplane race**, **watch a thunderstorm cloud appear before your eyes**, **interact with a variety of robots**, and even **learn new rhythmic drumbeats** in the Learn! canopy.

With Mitchell Kaplan, MBF Founder

Miami Book Fair has been honored to host

Salman Rushdie

for many of his books throughout the years. All of us at the Fair and Miami Dade College, and his many readers here in Miami, think of him as a friend. It is our fervent hope that Salman will recover as quickly as possible and allow us to once again be witness to his vast curiosity, his deep intellect, and his prodigious sense of humor.
